

RHP Resident Connect FAQs for Residents

What do I do if my Registration Key expired?

Reach out to your community manager, they will generate a new Registration Key or send you an email with a link to register.

Is my User Name my email address?

It may be, this is the name you created when you first signed up for RHP Resident Connect. If you cannot remember, see next question.

What do I do if I forgot my User Name?

Click on the [Forgot your user name or password?](#) link on the home page. To recover the user name, enter in your community and select your site. You will receive an email providing your user name. If you forgot your email address, please reach out to your community manager.

What do I do if I forgot my Password?

Click on the [Forgot your user name or password?](#) link on the home page. To recover your password, enter in your community and select your site. An email will be generated with instructions to reset your password. Click on the link provided in the email and it will direct you to User Verification where you will answer 3 security questions. You can attempt to answer the security questions 5 times before being locked out. Once the questions are answered successfully, a “temporary password” will be emailed to you. You will be prompted to create a “new password” using the “temporary password” as the “old password”. If you forgot your email address, please reach out to your community manager.

What do I do if I am Locked Out?

This is a temporary security lock out. Wait 10 minutes and log back in with your correct login information. If you were locked out due to failing the security questions, you can try again after the 10-minute timeframe.

I didn't get a reset email when I clicked on the “Forgot your user name or password?” link.

Check your Junk or Spam mail folder first. If there is not a reset email, check with your community manager to verify the email address you signed up with. Make sure you added the RHP Resident Connect email address to your “Safe Senders” list. This was provided to you in an email when you first signed up.

Is there a number I can call for RHP Resident Connect support?

There is not. Please reach out to your community manager for assistance.

How do I change my login, email, security questions or password?

To review and update login information, click on the My Account module and then Login Information, once you have successfully logged into RHP Resident Connect. In some instances you may also be able to update your email from this screen; if not proceed to the Contact Information option.

What is AutoPay? How do I sign up?

AutoPay will automatically debit your account every month on the day your community specifies until you turn it off. To sign up, on the Make a Payment module click on Setup AutoPay, then Setup AutoPay for Rent or Loan. If bank information has not been entered the Add Bank Account page; enter your bank account information. Select a Payment Option (if available), select the Day of month (if available), check the Payment Authorization, and click on Save AutoPay Settings. Changes must be made at least 24 hours before the next scheduled AutoPay date.

How do I turn off AutoPay?

Click on the My Account module, click on View for Manage AutoPay and select Turn Off AutoPay for Rent. A message will appear for AutoPay Deactivated, select Close.

What is E-Billing?

E-Billing is a convenient, paperless management of your account. Once you sign up, no more paper bills! Instead, you will receive an email alert when next month's statement is available for viewing and paying on the RHP Resident Connect website.

How do I know if I am signed up for E-Billing? How do I sign up for E-Billing?

Once you have logged into your RHP Resident Connect account, click on the Billing and Payment History module. Under E- Billing Settings, your selection of either email or text will be marked; if set to Do not send me an E-Bill select Send via email or Send via text (if available).

How do I turn on or off E-Billing and E-Billing Reminders?

Once you have logged into your RHP Resident Connect account, click on Billing and Payment History module. Under E- Billing Settings click on Do not send me an E-Bill, or "Do not send me a reminder" from the dropdown and click on Save Changes. E-Billing by Text does not have a reminder option.

If I sign up for E-Billing do I have to pay online through the RHP Resident Connect?

No, you can continue to pay how you normally pay or you can choose to pay through the portal.

Why didn't I get my reminder email?

Make sure to check your Junk or Spam mail folder and add the RHP Resident Connect URL to your address book. Check in E-Billing which email reminders are being sent to. You may have entered in an alternate email address or selected "Do not send me a reminder" from the dropdown list.
